I have a boyfriend.
Sorry~
Oh!
Yeah..
You have... a boyfriend?
Oh.
...
Whaz
Uh.....
Ok.....
tap tap
I'm really sorry.
I have to go to my club!!

Thanks for liking me...
HEART STRUCK!
What did I tell you?
There was no way that Nishiki had any feelings for you.
That was just manipulation! Manipulation, I tell you!
You were just misunderstanding.
What an idiot
SNAP
DON'T SAY BAD THINGS ABOUT NISHIKI!!
SHE WOULDN'T BE MANIPULATIVE!!
She's a really nice girl!
No.
this weakness

It is manipulation.
Haru
Except for Haru ♡
Nanoka!

To me, Nanoka Nishizaki, popularity tactics used to be everything.
Until now, where I have found true love.
Ah-
He is Haruto Kawai, Haru, a 2nd year.
Nanoka, are you free this Sunday?
A date!? A date!?
Yep!! I'm free!!
Oh good.
Then... do you want to come to my place?

Already!?
Ha-Haru's house...!?
Today Mom & Dad aren't here-
But it's only been a week since we started going out!
We haven't even had a proper date yet!
Giving up my body away so easily would be going against my popularity tactics...
You don't have to worry about the 500 yen fee for the ingredients.
I'll pay for it!
About the fee...
Oh,
I see...
Crush
My granny is out most of the time, so we can usually do it at my place.
The cooking club has this joint birthday party for the students.
Fee?

I want to pay it for you Nanoka!
Don't worry.

SFX: Ba-bump

Although...
Haru?
Are you still lending the rest of that manga series I was reading?
Awww♡
The way he says those things so easily
I love it.♡

Yay!
Ah!
Yeah, they just came back today.
Gimme, gimmeb ♡

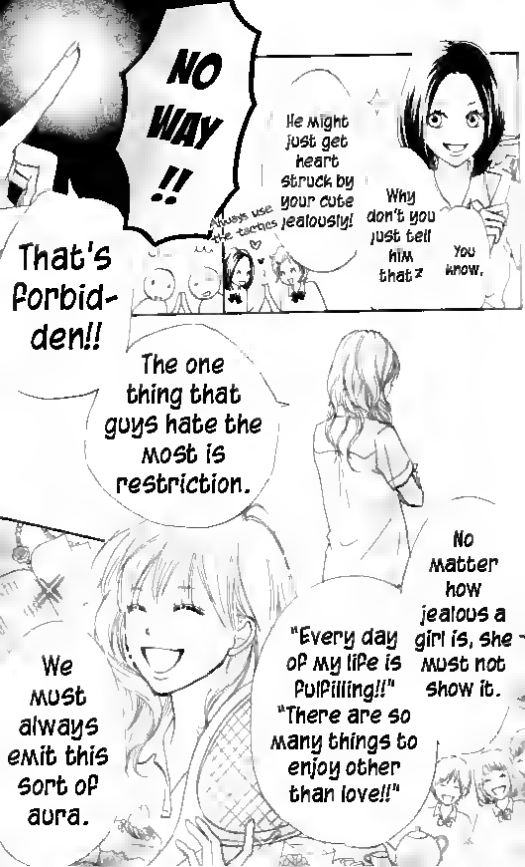
SFX: annoyed

Will you please stop touching my boyfriend!?
Actually, can you stop being unnecessarily friendly with him!?
ACTUALLY
HARU, I DON'T WANT YOU TO TALK TO ANY GIRLS OTHER THAN ME!!
GYA: RUMBLE JUMBLE
...that's what you said?
Of course I didn't!!
That's why I'm saying it here!
UGH! WHY DOES HARU GET ALONG SO WELL WITH GIRLS!?
wipe
wipe
wipe
EEK!
So you're the jealous type ...



NO WAY!!
He might just get heart struck by your cute jealously!
Why don't you just tell him that?
You know.
Always use cute tactics
That's forbidden!!
The one thing that guys hate the most is restriction.
No matter how jealous a girl is, she must not show it.
"Every day of My life is fulfilling!!"
"There are so many things to enjoy other than love!!"
We must always emit this sort of aura.

I see.
However making them think, "This girl seems happy even when I'M not around" will have a more positive affect.
If this continues, the guy will get sick of you and eventually think, "Man she's so annoying."
but then they will feel that they are loved and be relieved.
True, they do enjoy a bit of jealousy.
Oh
clap
clap
clap
clap
clap
clap
But,
Nanoka, now that you have found true love, aren't the popularity tactics unnecessary for you?

No,
I really am troubled
No confidence? Don't be stupid!
You've used so many cuts in the past...
...I don't have any self confidence...
She shrank!
!
I would have never imagined I was the jealous type
ANNOYED
HARU!
SMILE
Let's go home♡
Oops, that was loud...

Hey Nanoka?
Because I feel that I might just keep on making mistakes if I forget them.
I have been more conscious now, about the rules of love, than ever before.
Haru, you are just trying to take the easy way out by giving up!
And I talked to my parents seriously about my career.
I thought about what you told me the other day.
Yes?
Oh, that!
It's all thanks to you Nanoka.
And somehow, I persuaded them to let me into a Confectionary College.
EHH!!
EHH!! That's great!!
No it isn't!!
Wow... That's Wonderful!!

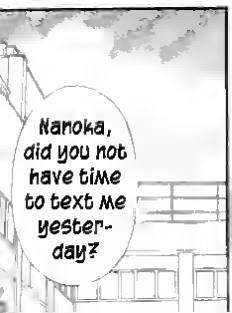
You have something that you really love to do, so I'm glad you're not wasting it!!
Haru, you really have talent!
I'm so glad!!
Kyaa~
I'm so happy!!
What's your shop going to be called? Are you going to make it into a cafe?
It's the birth of a Pastry Chef!!
Ahaha!
NO! YOU MUST HAVE A BRIGHT IMAGE OF YOUR FUTURE!!
Well, you never know.
You're hasty!

?
Congrats!!
Well, ...Uh, I'll we have to think of celebrate!! something, okay!?

Maybe I should bake a cake? Oh, but Haru is better at that!!
So natural!
I meant to give him a high five, but Haru looked as though he intended for a hug.
I'm so nervous!
That was definitely suspicious!!
Okay...
Haru is used to girls
I'm not going to tell him though
Might I tell you I have not done anything with my previous boyfriends.
So I guess a hug is no big deal for him
I may be calculating, but I am still as pure as ever!

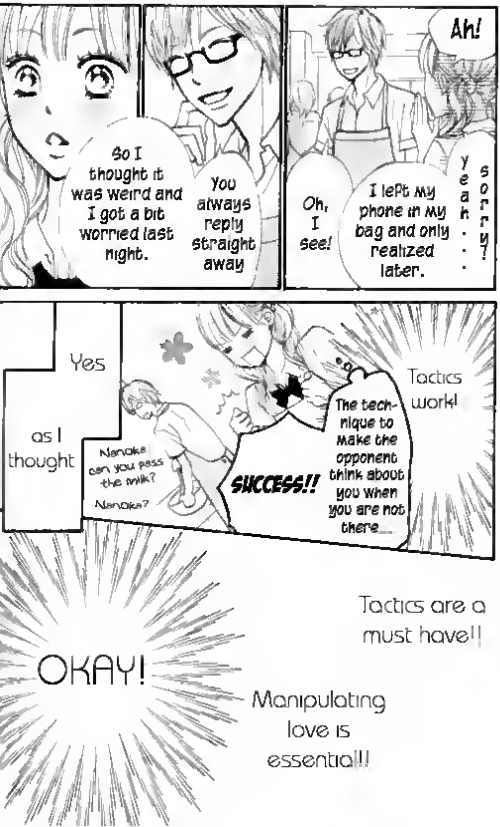
I really don't have any confidence
Am I replying to him too quickly?
...hm?
It's better to respond a bit late or forget about it sometimes isn't it?
I have to make the opponent feel jealous!
-chan <3 so cute! I also...
grab
It's Haru!
My Granny just tried to drink water with her mask still on and she's soaking wet now ^^
Respond, Respond

Haruto?
Please bring the plates after you've finished eating.
?
I'll endure it!!
This time I won't respond!
Oh... yeah...



Nanoka, did you not have time to text me yesterday?

I'll take care of the dishes, so go have a bath. It hurts right?



Ah!
sorry?
yeah...
I left my phone in my bag and only realized later.
Oh, I see!
You always reply straight away
So I thought it was weird and I got a bit worried last night.
Tactics work!
The technique to make the opponent think about you when you are not there...
SUCCESS!!
Nanoka?
Nanoka can you pass the milk?
as I thought
Yes
Tactics are a must have!!
Manipulating love is essential!!
OKAY!

I...
will hone my tactics!!
HEY! YOU'RE IN THE WAY!!
Huh?
Move, will you?
Just go through us.
BANG!
Ow!
What's with you, Tamaki? So not cute...

Glide
Excuse me.
Mmm.
Morning, Tamaki. ♥
Mom-ing...
Yep.
You're on class duty today, right?
Nishi-zaki-

Oh, okay! Thanks.
Also he said to bring along the prints from last time...
Okay.

Does Nishiki like me or something?
D-
To make sure Haru
will always like me,
I must continue to improve my girl power!
Haru-
Isn't that girl your girlfriend?

She's pretty famous... are you okay?
It's her right? First year Nanoka Nishiki.
Yeah.
Only recently ^^
HARU, YOU'RE GOING OUT WITH THAT GIRL!?
REALLY!?
... WHAT!?
There's a rumour that she eats up her target and then throws them away like trash.
She's like a predator.
No, no!! Haru,
You're a nice guy, so you might be easily deceived.
Those are just rumours.
Nanoka's a really nice girl.
That doesn't look like they're just friends.
Especially the guy.
Don't you think that over there is a bit weird as well?

She acts like a little devil.
TSUYOPON
Tsuyopon
Like, wouldn't you have second thoughts on a girl that's had so much experience with other guys?
I don't like it that much.
No, no!!
You're so rude Tsuyo-pon...
She's not like that.
Freeze

So-
Sorry, Haru...
BA-BUMP
Did I say too much!?
Yes, you did say too much.
BA-BUMP
It's a habit of yours
I'm sorry, Hiro, but it always get's them away by someone!
Ahaha
Not sure if
Don't hate me
Hiro
.....
...and you see
I was the Peach Boy* in that play
and in the real thing, I realized that I forgot to bring the rice cakes-
Sorry, but I have to get this cleaned up quickly.
...Satou
I listened to him for too long!! I'M gonna be late for the club-
It's totally past my cleaning time.
rush

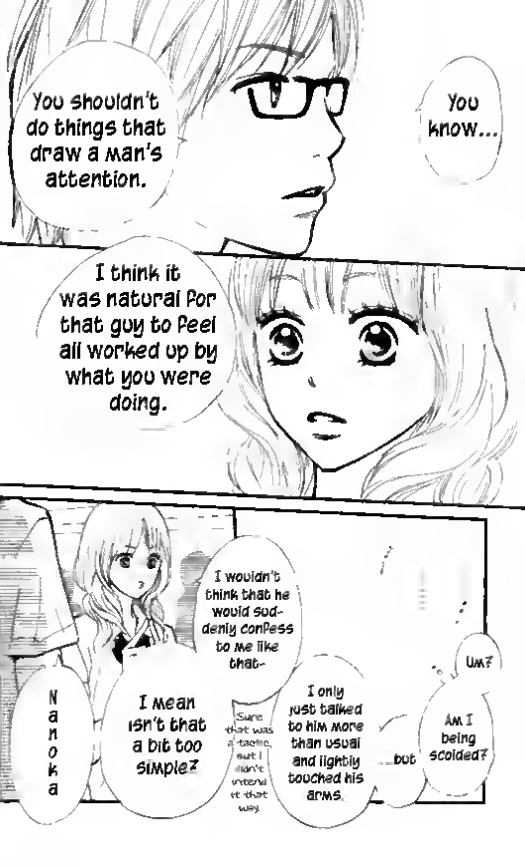
*T/N: Peach boy, a character from a Japanese fairy tale.

UM...
Hey...
Nishizaki...
DING-
DONG-
I'm SORRY I'm late!
How rare for you!
My job held me back for a while.

You seem tired.
I couldn't get the cleaning done on time.
Yeah.
I saw you from my classroom.
JOLT
Eh!?
You saw it!?
My classroom is just above yours.
Oh... oh, so you saw it...
But I rejected him, so it's okay right!?
Eh?
Eh?
?
...Did that guy confess to you?
Yeah.
Hm?
Weren't you watching?

I see
Ahaha
But I didn't know him all that well.
That was literally the first time we had a conversation, so I was a bit freaked out!
You guys aren't close?
No! Not at all!
You two seemed to be having fun...
You were even touching his arms.
Huh!? Is this jealously?
Ehh? Was I touching his arms?
I don't remember...
Haru, are you being jealous!?



You shouldn't do things that draw a man's attention.
You know...
I think it was natural for that guy to feel all worked up by what you were doing.
Nanoka
I mean isn't that a bit too simple?
Sure that was a tactic, but I didn't intend it that way.
I wouldn't think that he would suddenly confess to me like that-
I only just talked to him more than usual and lightly touched his arms.
...but
Um?
Am I being scolded?

Men are just honest with their feelings.
Don't say it's simple.
If you don't have the same feelings for them, then stop acting like you do.

Haru,
Can you taste this for me?
Ser?-ously?
I think it's tasty.
It's just right, just right.
No
Is it bland?
Okay.
But Haru never says it tastes bad...
Yes I do.
Liar...

SMACK
Eh?
Nanoka?
...Can you STOP touching my boyfriend!?
Men are honest with their feelings
So if you touch them, they will start to like you!
Even though ...

EVEN THOUGH HARU LOOKS AS THOUGH HE JUST PEACEFULLY EATS GRASS LIKE A COW, HE IS STILL A MAN!!
SO WHAT ARE YOU GONNA DO IF HE ENDS UP LIKING YOU!?
Did you know?
Are those two going out?
What, really?
Na-
Nanoka!
Calm dow-
You're Mine!!
Haru

SO IF YOU START HAVING FEELINGS FOR ANY OTHER GIRLS OTHER THAN ME, I WILL KILL YOU!!
KILL YOU!!!
SERIOUSLY,

"Kill you" ...?
"If you start liking other girls, I will kill you"
How over-protective are you?
Wasn't a girl that restrains a guy all the time, the worst type?
You even said it yourself
DON'T SAY IT!!
Just pick up the phone.
You really can't be manipulative when it comes to Haru, can you?
NO!!
But Nanoka-
I think what Haru said is true...
no
Then turn it off!!
Will you just answer it?
It's noisy.
NO!!

I know
It's not good to joke around with guys
I just got a bit carried away
I can't hide my true self
I wanted to build up my confidence by drawing the attention of other guys
Because when I'm with Haru...

But you're gonna see him tomorrow anyway, right? The joint birthday party at Haru's place?
GOSH!
BLUSH
Love
No
Just answer it!
This is a role reversal
...WHA-WHAT SHOULD I DO!?
Nanoka's asking us for advice.
Really, what should I do?
Um... well...
Just be honest
and go for it!

Haruto
What time are your friends coming tomorrow?
11 PM

Be honest

Ding dong~

WHOOSH
NEW HAVEN
Oh? First time seeing you.
Hello there
BOW
Nice to meet you!! I'm Nanoka Nishizaki, a new duo member!
Oh

Ah, I'll just head to the shops.
Nanoka, come in!
Yes, thank you!
Morn-ing...

Granny, are you going on the bicycle?
Be careful, you hurt yourself last time.
That was just an accident
It's okay, it's okay.
Don't worry so much!
Check if no cars are coming, even if the light is green.
Yes yes yes yes yes
No one's coming.
I called everyone and told them not to come.
SPEW
No one's here yet...
They're usually always on time.

They kindly accepted it.
Sorry we didn't know you two were going out. We won't disturb you guys!
....
Sorry Haru
...
What you said yesterday, it's because you were worried about me wasn't it?
Because I have a bad reputation in some people's eyes.
I thought you must have been concerned about that...
The kind, gentle Haru

I like the Haru that's kind and gentle to other girls and his Granny
Thank you, Haru.
YALE
NEW HAVEN
That's not it, that was...
sigh
But still....
...pure jealously!
Nanoka, you're popular, so I wished you weren't and I...

I want him to make me his number one
YALE

halt
blush
Ah!
It's nothing, but what should I do...?
So-sorry It's nothing...
Eh?
Eh?
Wh-what?
Wh-what?
It's my first time...
My heart is throbbing so much, I much might die...

JOLT
I—GOSH!
Just hurry up...

THU
MP!

What was that?
It's so...
oh man...

Maybe
being honest is
the best.

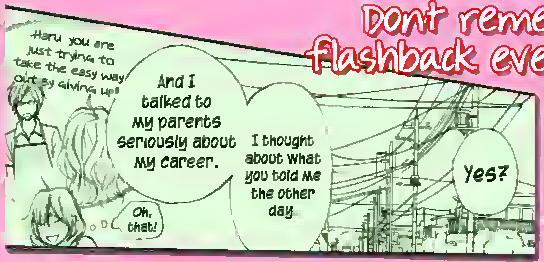
Happy Birthday To..
Cherry17, HEEZZZZ
& HanamariMomo!! <3
A lot of people have been having their birthdays, so I figured I might as well stalk them. And guess what? We missed Cherry17 and HEEZZZZ's birthdays! Oh noes!!
And thus, the moment of repentance is here. Super happy birthday to all three of you! Cherry17, thanks so much for your epic patience! We are SO looking forward to your participation on dEcIeS / HEEZZZZ, your editing on Quick Witted Boy was awesome, good luck with Varnish! And finally, HanamariMomo, you're such a hard worker, thanks for translating Muramasa for us!
Tons of LOVE for you three! Thanks sooo much for working hard in this new group. Hope you guys will stay for months (or years) to come! <3
Indeed, we do. Totally.
EPIC LOVE from Silent Dream Scanlations.



Haru you are just trying to take the easy way out by giving up!
And I talked to my parents seriously about My career.
Oh, that!
I thought about what you told me the other day.
Yes?

Don't remember this flashback ever happening?

Bet you were super confused. Don't worry, we'll explain that now.

Okay, so here's the deal. That flashback *did* happen. If you saw the original cover of this series. It would've had a giant '2' on it, and you would have been even more confused.

The first volume was an anthology of her one-shots. This story, in particular, was really popular, so they decided to turn it into a proper series. This *is* the official first chapter, but there is, what we could call, a prologue, to this series. When we get our hands on the first volume, we'll scanlate it for you guys, so no worries.

Anyway, you should be able to read the story just fine with or without the prologue, so it's all good.

Just recently discovered what was called_ "True Love"

The most popular girl in the School_ 16 year old_ Nanoka Nishizaki_

Nanoka?
Why are you still constantly getting confessed to then?
...it's been months, since you and Haru started going out, right?

I don't know...
I always tell them that I already have a boyfriend.
Well, I guess it's because you've used and dumped so many guys in the past...
But aren't you still using popularity tactics with the guys?
Eh--!! Why would I do that? There's no need. ♥
Hikaru has my one and only ♥
...you say
but that hair
it's manipulation, isn't it?
I was watching you and I realized, you tie your hair differently depending on who sits next to you in class, right?
!
Wow! You actually noticed, Misa-kichi!!
How about you, Shizu? Can you tell?
?

Before we changed seating plans, you used to always tie it on the left side.
So that the person on your right would see the nape of your neck, which was Yamazaki.
Yamazaki is so funny ♥
And now you are tying it on the right side.
The person on your left is Motobani.
Motobani's really kind ♥
So!! Your aim is to show off that white, slim neck of yours to the person you favor to draw their attention!
tobump
tobump
BINGO ♥
Might as well use your weapons wisely, right?

Ta ma ki
You have sooo many weapons to use~
How nice it is to be blessed with such beauty
No luck for a person with a fat, dark skinned neck~
A person who only thinks about men every day sure thinks differently
Do you want me to teach you how to be popular?

She pisses me off!
Ugh!
Someone should steal her boyfriend one day and let her see hell once!!
It's insane how she can be so conceited!!
YOU KNOW YOU'RE JUST SO OVERLY SELF-CONFIDENT!!
BANG
...HU-
HUH!?
I DON'T WANNA BE POPULAR!!
What a waste...
That's right
Girls are all wasteful.
They suppress their chances by making up excuses like, "I don't have confidence" or, "I shouldn't be proud of myself."

They should acknowledge their confidence
If they think of a way to show it there'll be so many chances for them to be loved
Poke
Nanoka
My boyfriend, Haru (Haruto Kawai one year above) is the President of the Cooking Club
His dream is to become a pastry chef ♥
You're first again today ♥
Well, I am the President after all
That's why you should have dispute working hours
Haha

What are we making today?
Yay! I love cheese cake!
Cheese cake using vegetables
And the first person I have ever confessed to
He is the first person that I have seriously fallen in love with
It's been about a month since we started dating ♥
but
.....
Can you peel some potatoes as well, Nanoka?
Yeah
arouse

I should start luring him to next stage after the kiss
clatter
Right now
it's just the two of us.
like talking to him about personal issues with teary eyes that'll make him want to embrace me
All right
Haru
you know I...
I have something I want to talk to you about...
Hello
chatter chatter
I think it's entirely my fault!!
Calm down!!
I get it, Nanoka!!
wait
Uh, what...
Eh?

I, who is an expert with the tactics,

is somehow, always hopeless when it comes to Haru.

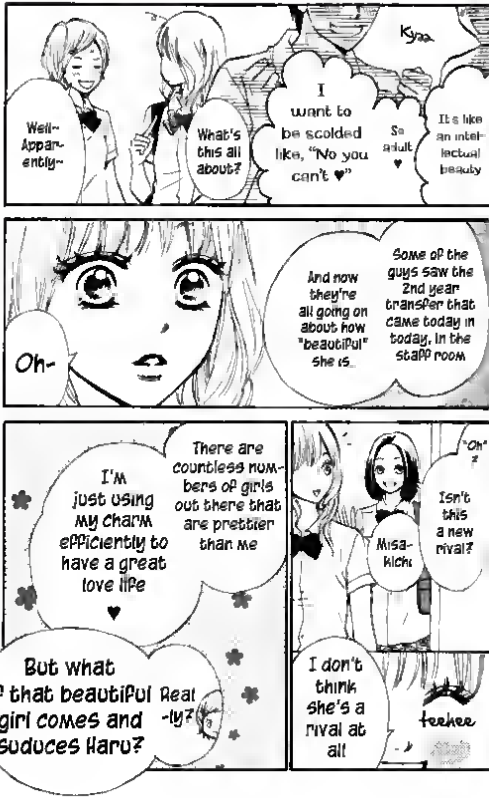
I just can't get it to perfection.

ANNO
YED
How miser-able
Ohh~
We thought that you went into a frenzy again~
Because men are so hopeless!
'Cause you get jealous so easily, you see~
FRENZY HISTORY
It must be so hard for you Haru-
If you start having feelings for other girls, I will KILL you!
akaha
It's fun though!!
Ba-bump

I am currently, happily living my every day to the fullest.

All in all,

There are no enemies in my way
♥
Mor-ning ♥
Ah, mor.
I prefer that type of girl than Nishizaki, by far!!

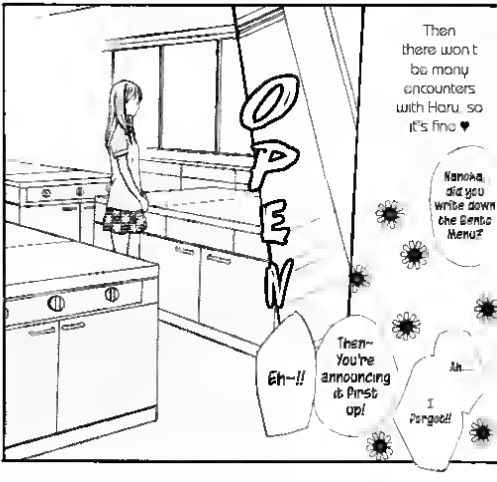


Well~ Apparently~
What's this all about?
I want to be scolded like, "No you can't ♥"
So adult ♥
Kyaa
It's like an intellectual beauty
Oh-
And now they're all going on about how "beautiful" she is.
Some of the guys saw the 2nd year transfer that came today in today, in the staff room
I'm just using my charm efficiently to have a great love life ♥
There are countless numbers of girls out there that are prettier than me
But what if that beautiful girl comes and seduces Haru?
Real-ly?
"Oh" ?
Misa-kichi
Isn't this a new rival?
I don't think she's a rival at all
teehee

*T/N: 'Oni' is a Japanese word for a fearsome monster

I see, a beautiful transfer...
Now that I think about it, I'm kind of curious.
Hmm...
Haru may be weak against beautiful girls
Well, I guess all men are...

Lucky Haru
Hey
It's Nanoka Nishi zaki
Pretty ones or beautiful ones, they have nothing to do with us.
I so hoped that would come into our class...
sigh
She's not in the same class.
Good!



OPEN
Then there won't be many encounters with Haru, so it's fine ♥
Nanoka, did you write down the Bento Menu?
Ah...
I Forgot!!
Then~ You're announcing it First up!
Eh~!!

Are you the President of the Cooking Club?
...ah
Ah!
Um.... uh...
I'm a 1st year.
She's the beautiful transfer!
Haruto Kawai
The president is this person...

...uh
sorry
Nice to meet you.
I've never been called one and it feels awkward
I don't need a nickname
Oh... okay
sorry.
HUH?
So can I call you "Naka-chan"?
Nakagawa-san, I see...
Well, there's already a "Na-chan"

Ah, Nakagawa-san

CAN YOU PLEASE NOT TOUCH ME!?

EHHH~~~~~~~~~~!

depressed

kya

kya

That was surprising~
Yeah...
What a waste, she's so pretty.
Seems like she dislikes men.
Haa...
I've never been rejected by someone like that.
But hey
This means she won't be my rival what a relief!
I've turned into some sort of disgusting form of existence
I feel like...

Bare it, bare it
Wow! You're not crying!!
I'll give you a lolly, so don't cry~
THUMP
Ah!
Oh My~
I want ice cream..
Ahaha!
Ice cream??

"Can you please not touch me!?"
Nanoka?
I...
I want you to touch me heaps, Haru!
There's no place on me that I don't want you to touch!!
Touch me, touch me and touch me all you want

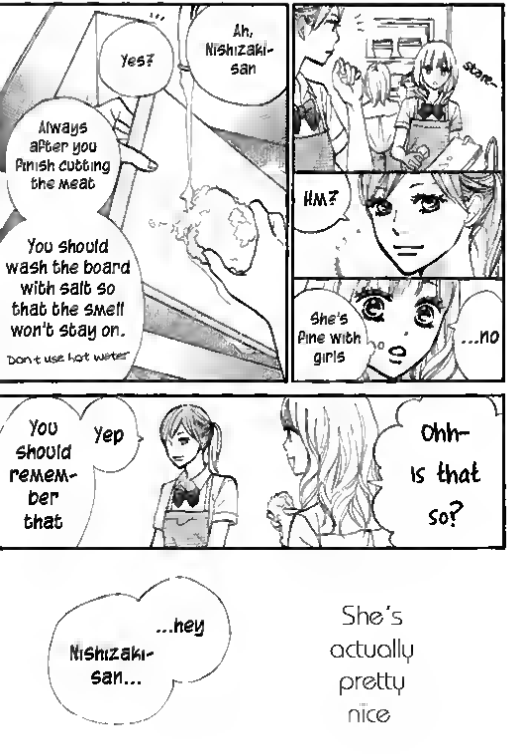
So touch me lots and lots!!
Kanoka...

Pervert
Pervert~
Pervert~
Pervert!
HEY!
Perverts~
There are perverts here
Mommy~

Unbelievable
Someone this kind
How can anyone refuse or reject Haru?
...but really...

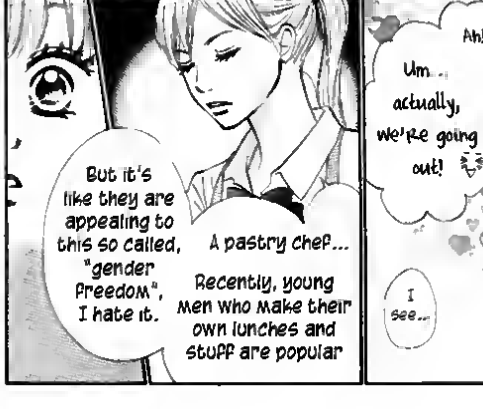
Maybe she has some kind of fear of men
CAN YOU PLEASE NOT TOUCH ME!?
that Nakagawa-san
She had a pretty threatening attitude
She's just stuck up
She may be pretty and all, but I can't stand that!
You talk to her and she replies so half-heartedly, she doesn't even bother to look at you.
What a waste
What's with that transfer!?
Excuse Me
plop

Oh man, my heart!
...she is so cute!! Nanoka Nishizaki!!
I don't like her being so cold around Haru
and also...
smile
this.
You dropped
BA DUMP
It's such a waste
when she's this beautiful



Ah, Nishizaki-san
Yes?
Always after you finish cutting the meat
You should wash the board with salt so that the smell won't stay on.
Don't use hot water
start-
HM?
She's fine with girls
...no
You should remember that
Yep
Ohh- is that so?
...hey Nishizaki-san...
She's actually pretty nice

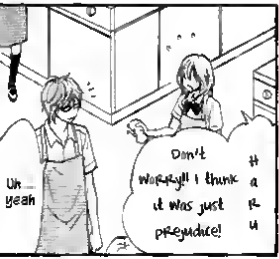
T/N: In Japan, normally a Junior wouldn't call a Senior by their first name.



But it's like they are appealing to this so called, "gender freedom", I hate it.
A pastry chef...
Recently, young men who make their own lunches and stuff are popular
Ah!
Um... actually, we're going out!
I see...

Hm? Are they arguing?
Men are all easy going.
Of course
and also, aren't most professional chefs, men?
Haru is not like that though
Men are just
always thinking about themselves
they don't even care about the family
Men pursue taste and a small amount of ingredients
They are only good within the restaurant industry
What's really important, is to take charge of people's lives and provide them with a well balanced, nutritious meal all throughout the day.
to make meals without rest and praise from anyone!!

Flinch
Ah
Any way,
I want to become a dietician, so I can save as many women as possible!
That's why I don't like the fact that such an easy-going guy is the president!
.....
excuse me
I would like to leave for today!!
SLAM

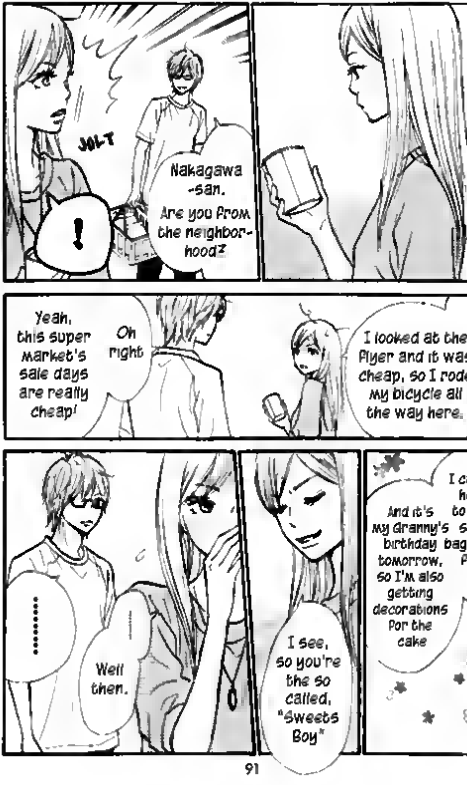


Uh... yeah
Don't worry!! I think it was just prejudice!
Haru
What's wrong with her?
Maybe she detests men...
Ma

Oh, yep! Sure.
Haru, can I put this in the oven now?
Hm?
Hmm?
...but
It seems like she has a very strong motivation.

HMMM?
Naah– It's just that he doesn't like criticizing people
Really?
Yes, I mean, it's Haru we're talking about here
Can you imagine him saying, "What's with that chick–?" ?
You're angry either way, right?
BUT HIM PRAISING OTHER GIRLS, PISSES ME OFF!!
Okay, okay...
Sorry, Nanoka, I gotta take a shower

He just doesn't like criticizing people~
I'll talk to Shizo
It's okay
She's in love, so she'll listen to me.
HEY!
I guess
It's just because Haru doesn't insult people
but
I think he was seriously admiring her



JOLT
!
Nakagawa -san. Are you from the neighborhood?
I looked at the flyer and it was cheap, so I rode my bicycle all the way here.
Oh right
Yeah, this super market's sale days are really cheap!
I came here to buy some bags of flour
And it's my Granny's birthday tomorrow, so I'm also getting decorations for the cake
I see, so you're the so called, "Sweets Boy"
Well then.

Naka
-chan
HUH!?
I TOLD YOU THAT I DON'T NEED A NICKNAME.
Do you like sweets?
She's not listening.
... I don't mind them
Actually, I used to not like them that much.
But when I was little, my grandma always took care of me because my parents were always at work.
Granny wasn't all that energetic, and I couldn't play very much. So every day was pretty boring.

Haruto, how about we make pancakes together!!
Until Granny said to me one day
It's okay, it's okay
You can make circles, it's fun!
Ehhh?
I'm not hungry though...
The pancakes that Haruto makes are absolutely delicious
Mhmm... Granny's so happy!
But more than that
Surprisingly, it was fun watching the pancakes cook on the hot plate.

I kinda adore pancakes!!
Look, Granny!
From then on making sweets became a part of my daily plans, and eventually
I became hooked
Before I realized it, I was already a sweets boy.
The end.
What? So.....
So, yeah
It's common sense, but... I believe that delicious food can make people happy.
For both families and outsiders

It's true that sweets cannot fulfill the daily intake of nutrients we need.
But it can become a piece of every day happiness.
I think both are very important
So, I chose to make people happy by making sweets
Thus,
I am absolutely not just some whimsical sweets boy, and I would like you to acknowledge me as a chef
.....

Well then
.....
Ah
That time
I think I said too much...
so uh...
I see.

Haru is a kind person
.....
So he does not think negatively or say bad things about others.
I really like that part about him.
However,...
Ah!

Oh gosh……

Stupid Haru~
He really makes me worried.

And with that, our wishes had been granted within a few days of making these heartfelt cards. Hina had miraculously returned to us. Might as well finish what we started \ The 15th day of August, 2010 was the most awkward day ever.

To Twiddy,

Yeah, we're not especially close, but I do know we've had some interesting times. lol, figuring out your time zone was probably one of the best. I'm not sure if you still consider me a stalker after that, lol. I also want to thank you for giving me a chance to finally do something for OZ. Without you, I wouldn't have a lot of things I have now. Thanks a bunch, stay strong, and don't eat me! ;-;

Peace, bruhman921

WELCOME BACK HINA!

Hina I never got the chance to talk to you much, but thank you so much for letting such a baby lamb like me to join SDS. We may not know each other that well, but I know you are some supreme/dynamic SDS leader!! So get well and come back soon~

-thatlaglady

I always pretend I'm not interested around the person I like.

And you see~

I say stuff like, "I don't have any special feelings for you~"

I think that is such a waste~

Really!?

I'm totally with you~ I don't want him to notice my feelings because we may not be able to talk to each other normally if he did.

I don't have any confidence. I'll be so devastated if he thinks, "She likes me? What the heck!" or, "How annoying."
But that's because you're pretty, Nanoka-chan.
Ehh~?
I would do anything to get that person to realize my feelings.
They won't. Even if they do, that might just be your chance!
Guys always act really annoyed by anything in front of their friends.
Yup.
Chance?
Though they don't show it, they're actually really happy.
Even if the girl is not their type.
If they take interest after that, then that guy is already half yours.

Ohh~!
Keep on acting like it's love for him while that's happening!!
You must make them think, "Maybe she likes me" and wait for their delusions to expand!
But don't be too hasty and rush your confession.
I-I'M LISTENING!
JOLT
to my story
Tamaki?
Hey, are you listening?
There's actually a girl who succeeded in making the guy compass to her because of that
She gives all these advice so precisely, and they say it's really precise.
There seems to be these Nishizaki adherents forming among the girls.
Ohh~ You were looking at Nishizaki again
But you know,
She's like spreading the popularity tactics to everyone
Really, she is so annoying, Nanoka Nishizaki!!!

Might try seducing her boyfriend.
...Maybe I
That's impossible!
Haha
And believe it or not, Nishizaki's relationship has been going on for a month now.
Really?
Yeah.
So the girls can talk to her about their love issues without worrying about their guys being snatched away.
On top of that, it seems like she is the one that's crazy about him.
Uh...
twitch
I'M JUST SAYING THAT SOMEONE SHOULD SNATCH AWAY HER BOYFRIEND!!
DU-DUH, I'M ONLY JOKING!
Okay sorry!

STRIKE
FREEZE
...Wha
What!?
...do you know what the "power of language" is?
Every word that comes out from your mouth controls the reality.
Words of curse and jealously towards someone will end up hurting yourself, so please be careful.
Huh!?
What's that!?
CLATTER
Is it from some fairy-tale!?

SHUT UP!!
It's true.
Such a waste...
My mother even says that a girl's utmost happiness is being in love and loved back.
Then everyone should be safe, if they're being loved
I think everyone in the world should be lovey dovey!
Cooking Room

Haru...
Just like me and Haru.
♥
Eh!?
Nakagawa -san's early!
Hello!
You're early Nakagawa-san.
I had nothing to do in class, so...
Were... they alone the whole time?
Eh?
Your second place was taken today.
That's too bad, Nanaka!
IRRITATED

Are you okay?
I'll go get some insect repellent!
It was a mosquito! ♥
SLAP
JOLT
Why is Haru laughing so carefreely!?
Phew that was close!
I was about to get jealous from something so small
What were you two talking about?
Cooking.
Naka-chan also came just then, so...
No, nothing yet.
I told you to stop with the nickname!
NAKA-CHAN!?
Oh, I see-

SMILE
That's Right!
Yeah!
Right, Nanoka z
It's not good if there's just one who's left out.
Why not though? I made nicknames for all the club members.
You'll get used to it eventually!
.....
Then I'm also going to call you Naka-chan sempai!!
Yup That's yup! the only reason why!!
T/N: "Sempai" is term used for a person in a higher grade level than he/she is
Eh-?
If Nishizaki-san says so.
Sigh

Ni shi za ki-san
chatter

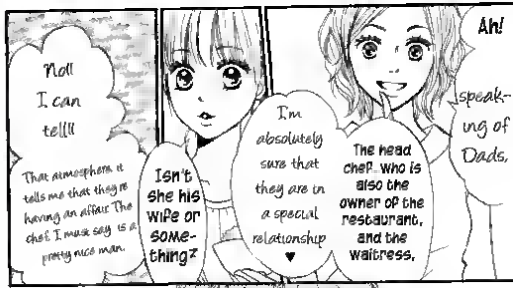
You are very cute...
I'm...
A MAN-EATER!!
SHOCK!!
Is she...!!

Ahaha!
No, no, that's not it!
I'm sorry!
That came out wrong!
I can only like men!
.....
Ah, she's pretty.
Badump
Just before, you had a face saying, "Don't talk to my boyfriend!!"
I meant, it's cute how your emotions easily show on your face.
Eh!
Was it showing?
Yup.
Was it unattractive?
It's all right.
I think those sort of feelings are normal.

Don't worry, as you can see, I'm a misandrist.
Also,
I would never do anything like steal other people's possessions, even if I had to die because of it.
Hm?
So, should we put this in the oven?
Don't forget to wipe the top.

It's good that I don't have to worry,
Maybe she's Pastidious?
but, "even if I had to die"?
But...
is she really a misandrist?
I wonder why...
Nanoka!
It's time for dinner!!
Ye~s!
You know how the restaurant in front of the station was under construction?
It's a totally different shop now.
Mum just went today.
I had lunch with my dressing friends.
Oh-

Haha ha..
Soon, she'll be going out with a real Dad.
Nanoka- you won't become a worthy adult
♥
I want to go as well-
Dad- I want pocket money-
♥



Noll I can tell!!
That atmosphere it tells me that they're having an affair The chef I must say is a pretty nice man.
Isn't she his wife or something?
I'm absolutely sure that they are in a special relationship
♥
The head chef- who is also the owner of the restaurant, and the waitress.
Ah! speaking of Dads,

As with women, love comes with respect.
♥
Men with skills are very popular you know!
♥

How you were the first one among your peers to be promoted?
Also, how you have a very high metabolism?
You're asking again?
drunk
What part of me do you respect, Mum?

Please have a taste of this
Mhm... try adding a bit more of the liquor
Yes!
With the Framboise, you should hold back the sourness
Although
It is like your kind of taste, very eloquent...
If Haru also becomes a pastry chef...

I have to save my future self...!!

I should read about restaurants and cooking as well!
That's my daughter~ ♥
That's your daughter.

Haru is concentrating...

Hehe.
♥
You were here, Nanoka?
Um-!!
I couldn't get my cream puffs to rise nicely yesterday!
IF the dough is too soft or too hard, it won't rise properly
Well, practice makes perfect.
Ahaha
You're too sweet to Tsuyo-pon!
Again?
He told me to make some for the soccer club
Ah, this is for Tsuyo-pon, My friend.
Ha ha.
...Uh, cream puffs again?
Yeah?
Haru, can we meet up on Sunday?
OH!
Yeah
I see.
How troublesome.

There's this new restaurant in our neighbourhood.
Apparently, the lunch is really cheap
Also, the dessert seems to be delicious!
♡
Oh!!
What's the name?
UMM... it was...
『Inside in River』
BAM

...hello
creak
Hi. Naka-chan, did you walk into the door just then?
I did, is there a problem?
It's nothing.
GLARE
It's not like yo--

HARU!
I wonder what's for dessert!
I'm so excited!!
I want pudding
Eh, why?
I like pudding
Really?
SIDE IN RIVER

Delicious!
This is so good, Haru!!
DELI-CIOUS!! THIS IS DELI-CIOUS!!
1000 Yen for this is so cheap!
Let's definitely order the pudding later!!
I can't wait!
It's so yummy

Ah, that was loud.
Nanoka
You eat really deliciously.
I really like people who eat deliciously!

……
One more time?
can you say that last sentence…
……

There you go.
Oh
We haven't ordered yet.
Just
killed the mo- ment.
whisper
It's on the house
because you two were eating so deliciously.

Ah!
I'm absolutely sure that they are in a special relationship!
The owner and chef of the restaurant and the waitress.
and the waitress!
It's the cheating chef!!
Are you both in high school?
There must be something between that waitress and the manager.
Eww no way!
But Mum's really good at sniffing out these things.
Is it true?
Wow.
He is a good looking middle aged man.

Though I'm quite confident with my taste.
Ah, he's pretty presumptuous
Ah, yes!
I see, that's good to know!
I kept the lunch fee a reasonable price, so that young people could also come and enjoy our food.
twinkle
twinkle
munch
May I please have the pudding?
Um...
Thank you!!
Of course, of course.

YUM!
Ha-Haru!
What reaction!
murmur murmur
What is this!? It's so yummy!
Nanoka, you eat it too!!
C'MON!
MMMMMMM!!
RIGHT!?
MMMMMM

And lately, she's been giving me an ugly stare because I made her transfer to another school.
I don't know if she's having a rebellious phase, but she's been very slanderous.
I wish my daughter was as honest as that!
You two are adorable.
Haha
Ahh, sorry!!
Hm?
Owner-
You're in their way.
Such a waste when she's so beautiful like me.
Transfer?
Hm?
Please take your time.
"Beautiful" and "transfer"...?

T/N - "Inside" translates into "Naka", "River" translates into "Gawa"

EH!
He's my father.
On top of that, he's a perverted geezer that seduces his employees.
Mum was right!!
I told you!

"I would never do such a thing like stealing someone else's possessions!"
Ah...
He's a perverted geezer that hardly ever comes home,
and has an affair with one of his employees.
All this...
It's just discrimination to my family.
I did something horrible to you two.
So I don't mind if you tell your boyfriend.
Tell him why I despise men so much.

But...

for such a beautiful girl like her

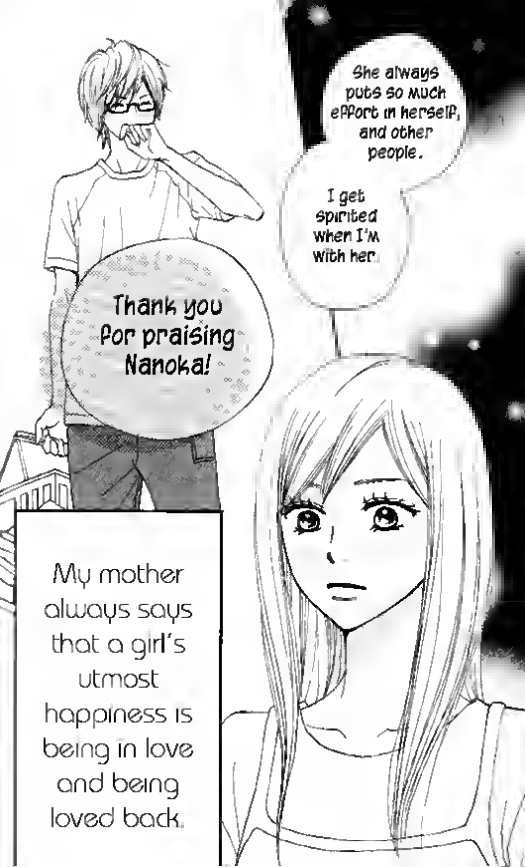
to spend every day not liking men, and being misunderstood by people...

It's too
wasteful!!

President, do you always do the shopping?
No,
I just had to get something from here, so I-
wait
TURN
Ah!
How cold...
You just called me, President!!
PRESIDENT!!
!?
Are- aren't you the president!?
Yay!

It's okay to get angry,
this attitude I have, it pisses you off doesn't it?
Why do you always use formal language?
I was always wondering why..
You heard about the "thing" from your girlfriend, right?
About what?
About my father!
Ohh!!
The marvelous pudding!!
That was great!
So you haven't heard?
She's... a nice girl,
Nishizaki-san.

Yeah,
she is a really nice girl.



She always puts so much effort in herself, and other people.
I get spirited when I'm with her.
Thank you for praising Nanoka!
My mother always says that a girl's utmost happiness is being in love and being loved back.

I don't think that covers all of the happiness.
It's definitely a waste-
But...
Wuwww
If it does, I wish that everyone would be in happiness.

I said- Kono and the others are all princes, so you can't secretly go hook up with them!
Ahaha.
It's not "Ahaha"!
I found out that she has an aggressive personality with a doll-like face.
And from that element of surprise, I was suddenly interested in her.

HUH!?
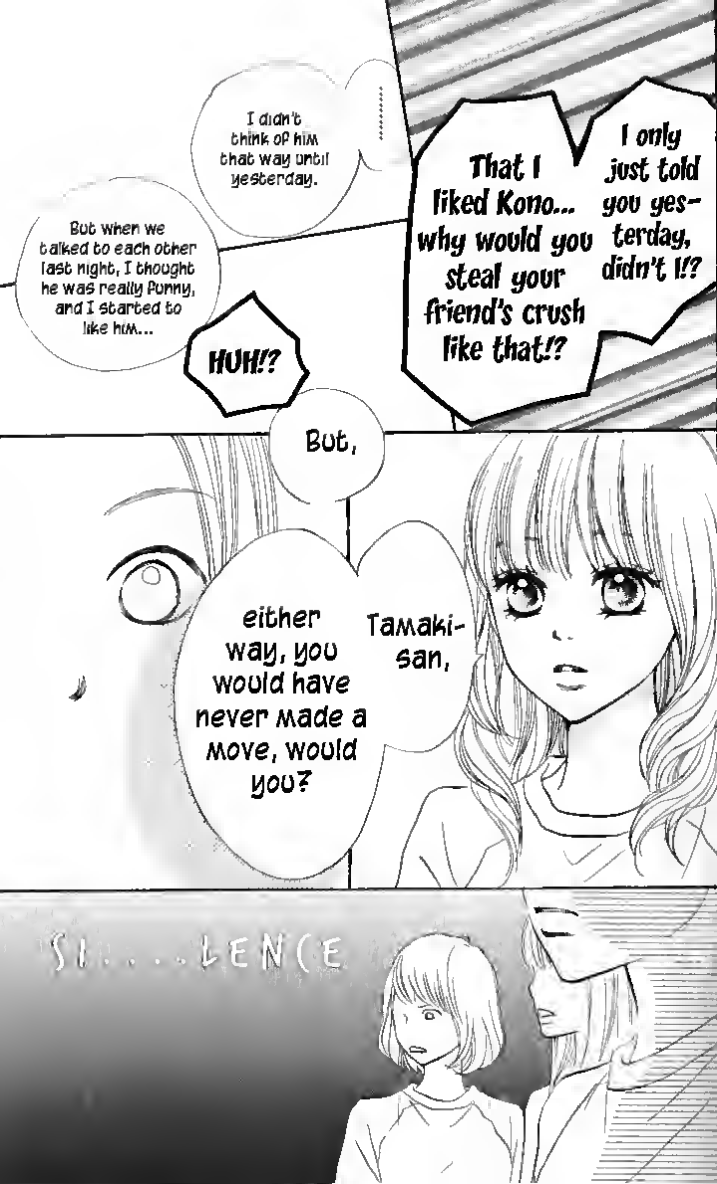
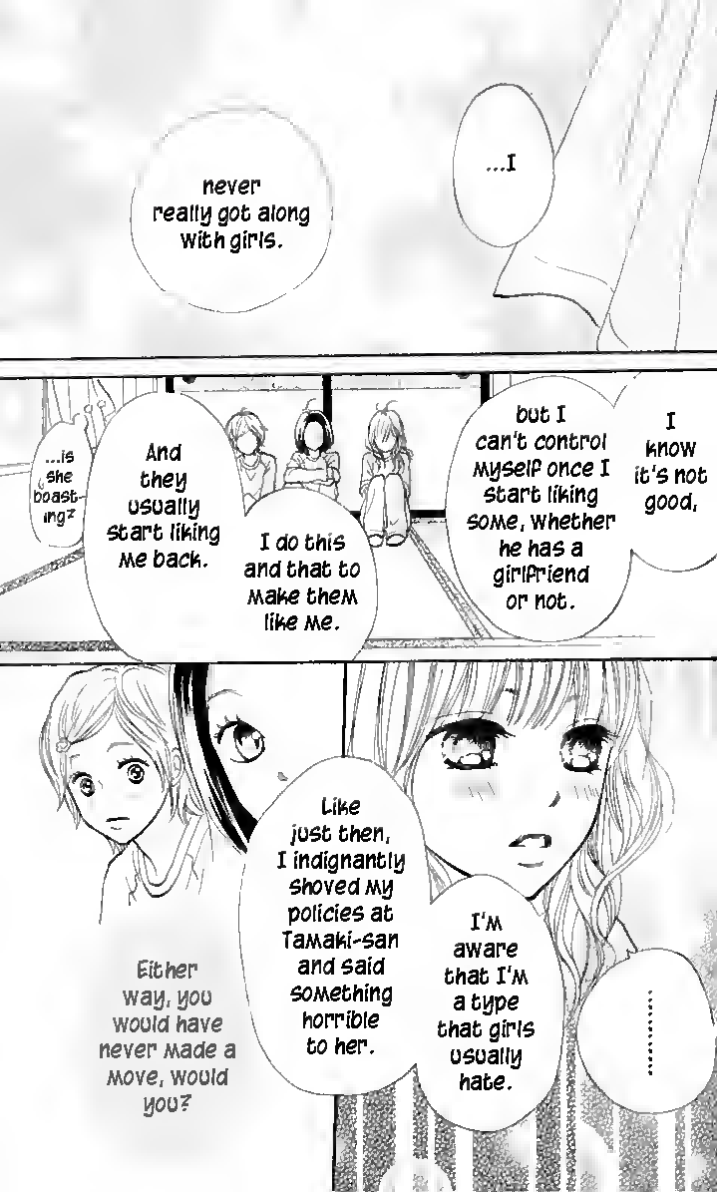
What the heck, isn't that weird!?



I didn't think of him that way until yesterday.
But when we talked to each other last night, I thought he was really funny, and I started to like him...
HUH!?
That I liked Kono... why would you steal your friend's crush like that!?
I only just told you yesterday, didn't I!?
But,
Tamaki-san,
either way, you would have never made a move, would you?
SI....LENCE

...We are so over!!
DASH
Hey, let's go.
Tamaki.
...how horrible.
Nishizaki-san is the worst.
Tamaki-
Seems like we're over.
.....
tok tok tok...
.....



never really got along with girls.
...I
...is she boasting?
And they usually start liking me back.
I do this and that to make them like me.
but I can't control myself once I start liking some, whether he has a girlfriend or not.
I know it's not good,
Either way, you would have never made a move, would you?
Like just then, I indignantly shoved my policies at Tamaki-san and said something horrible to her.
I'm aware that I'm a type that girls usually hate.
.....

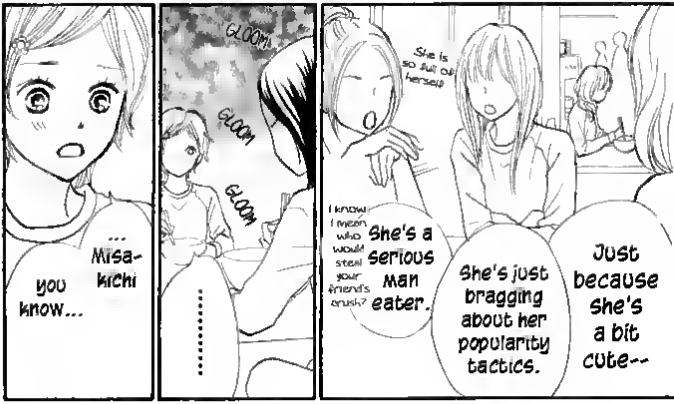
Then why don't you apologize?
.....
You're contemplating?
You're regretting it?
nod
nod
nod
Nanoka is...
extremely clumsy, and I realized then
...hey, Nanoka.
If you don't like him that much yet,
then isn't it better if you don't go out with Kono?
She is not able to control her own feelings.
Even though she is able to use tactics and examine people's feelings.
I Might hurt her pride
because ...
Saying "Sorry~" sounds like I'M looking down at her.

I don't think so.
Eh? No.
BLUNT
IS SHE REALLY CONTEMPLATING!?
I can't stop this curiosity.
Because I'm really interested in Kono now!!
Eh?
Also, you two don't have to come and talk to me.
But I'll make sure we're not seen together in front of Tamaki-san.
I'm really contemplating about what I said,
but I don't think it's bad for me to go out with him.
If you two hang around me, they'll start avoiding you guys.
hehe~
Because love is about survival isn't it!?

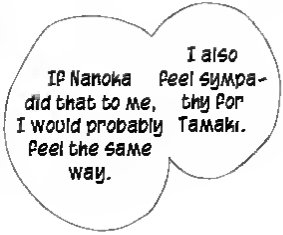
She said she was used to it.

The sight of Nanoka losing her eye contact was impressive

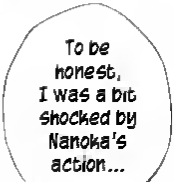
and it was kind of



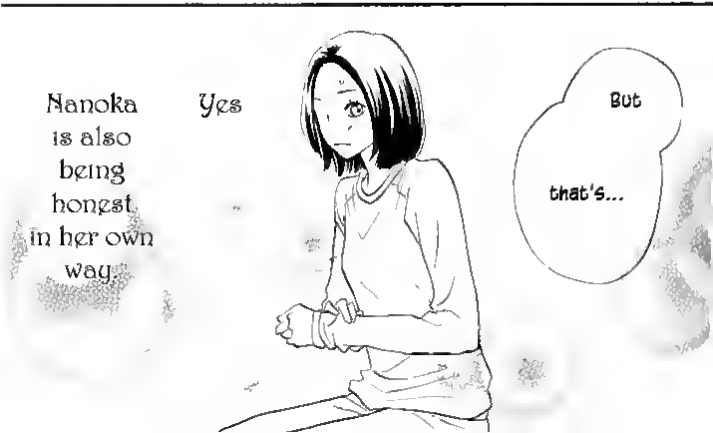
...
Misa-kichi
you know...
GLOOM
GLOOM
GLOOM
.....
She is so full of herself
I know! I mean who would steal your friend's crush?
She's a serious man eater.
She's just bragging about her popularity tactics.
Just because she's a bit cute--



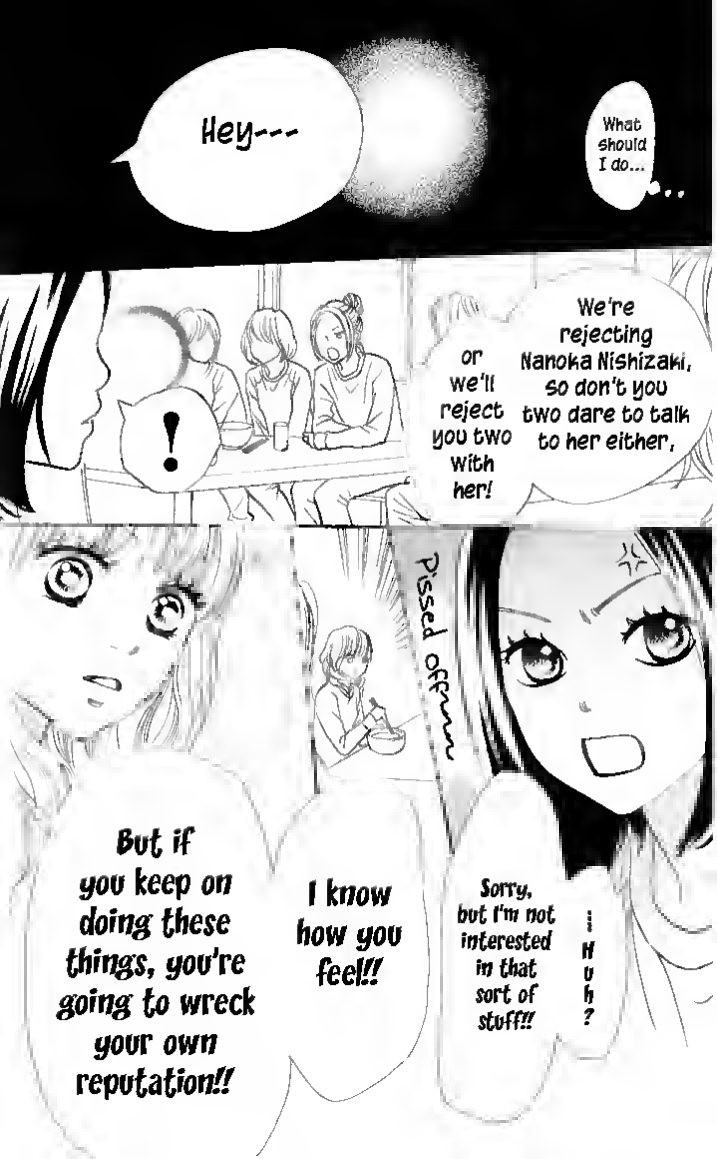
If Nanoka did that to me, I would probably feel the same way.
I also feel sympathy for Tamaki.



To be honest, I was a bit shocked by Nanoka's action...



Nanoka is also being honest in her own way.
Yes
But
that's...



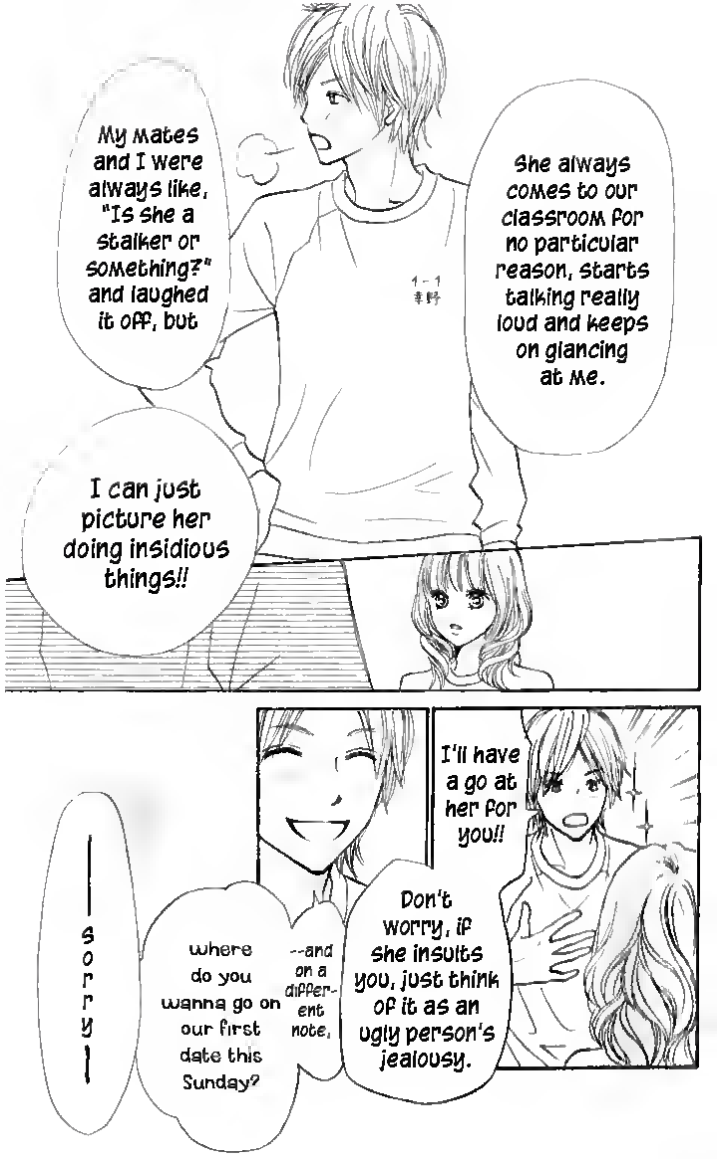
Hey---
What should I do...
!
We're rejecting Nanoka Nishizaki, so don't you two dare to talk to her either,
or we'll reject you two with her!
Pissed offmm
Huh?
Sorry, but I'm not interested in that sort of stuff!!
I know how you feel!!
But if you keep on doing these things, you're going to wreck your own reputation!!

sniff
Huh?
Why me?
Just to let you know, I am the victim--
I'm saying that the victim shouldn't become the assailant!!
.....
...let's go!
Every-one.
clatter
clatter

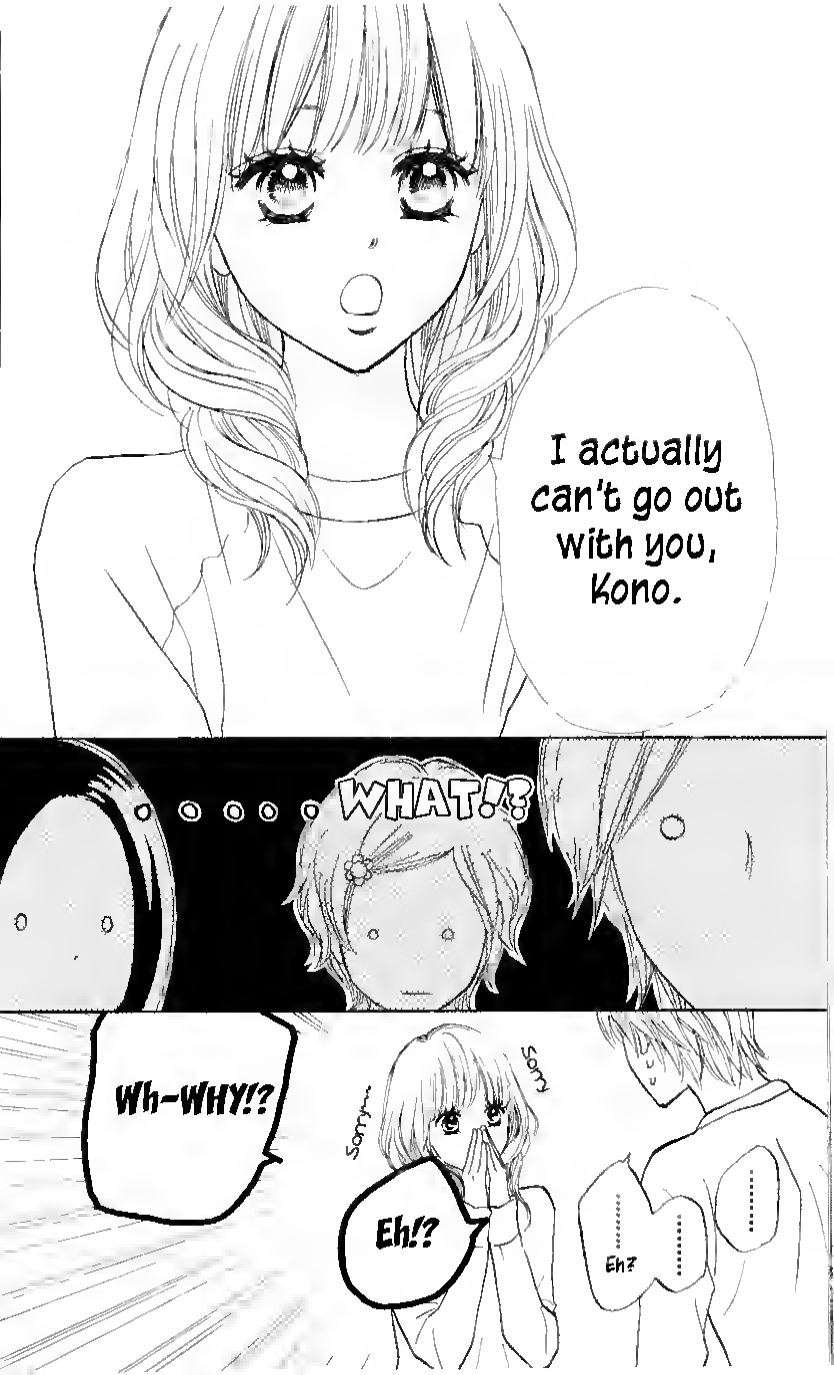
From this time
us three started being together.

I can't leave her alone.
I have to protect her, that was my thought
at the time.
Nishizaki!
Oh, it's not them, sorry.
...like
tell me if there's anyone who's bullying you because you're going out with me.
HEY! WHAT ARE YOU GUYS DOING, DOING INSIDIOUS THINGS TO MY GIRLFRIEND!!
EHH-?
Usi?
NO NO, Kono!!
Kono ♥ ♥
I just heard from my classmate
that you're being bullied by the girls...
Ah

I'll... definitely protect you, Nishizaki.
KYU
Kono... ♥
Don't worry, I'm not being bullied or anything ♥ ^^
Really?
I wanted to protect you though...
But My friend
Ah!
Isn't it that girl?
That ball head!!
I always through she was creepy, you see



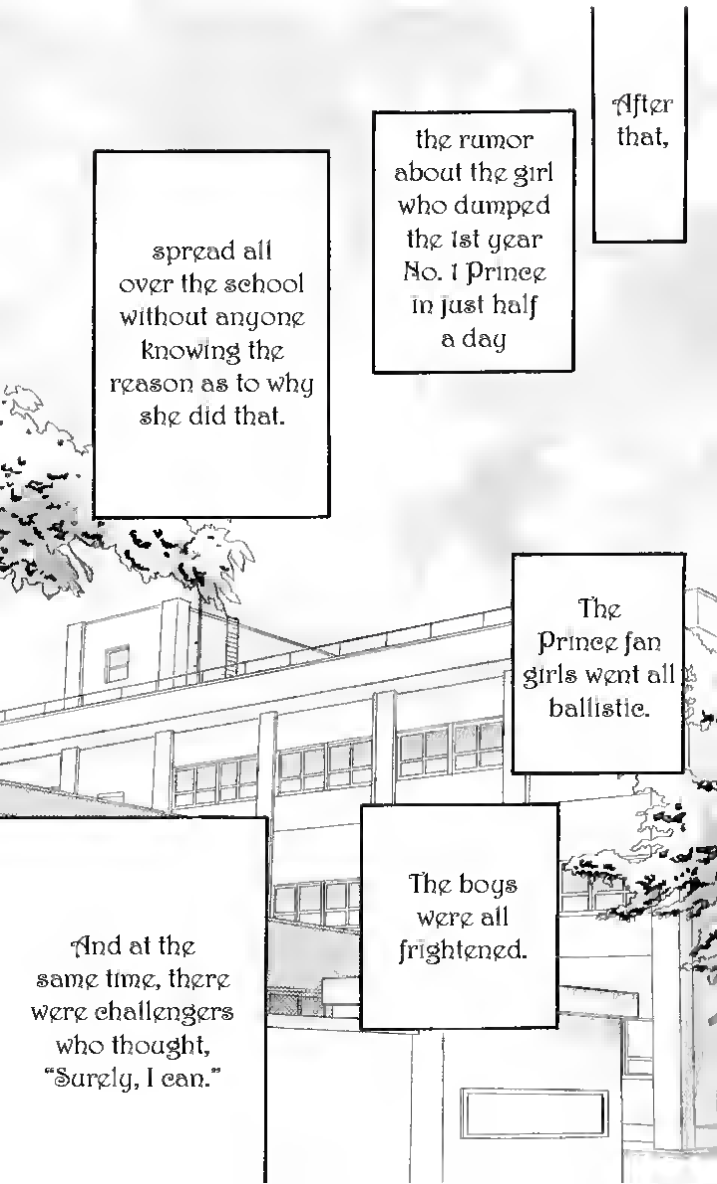
My mates and I were always like, "Is she a stalker or something?" and laughed it off, but
She always comes to our classroom for no particular reason, starts talking really loud and keeps on glancing at me.
I can just picture her doing insidious things!!
I'll have a go at her for you!!
Don't worry, if she insults you, just think of it as an ugly person's jealousy.
--and on a different note,
where do you wanna go on our first date this Sunday?
—sorry!



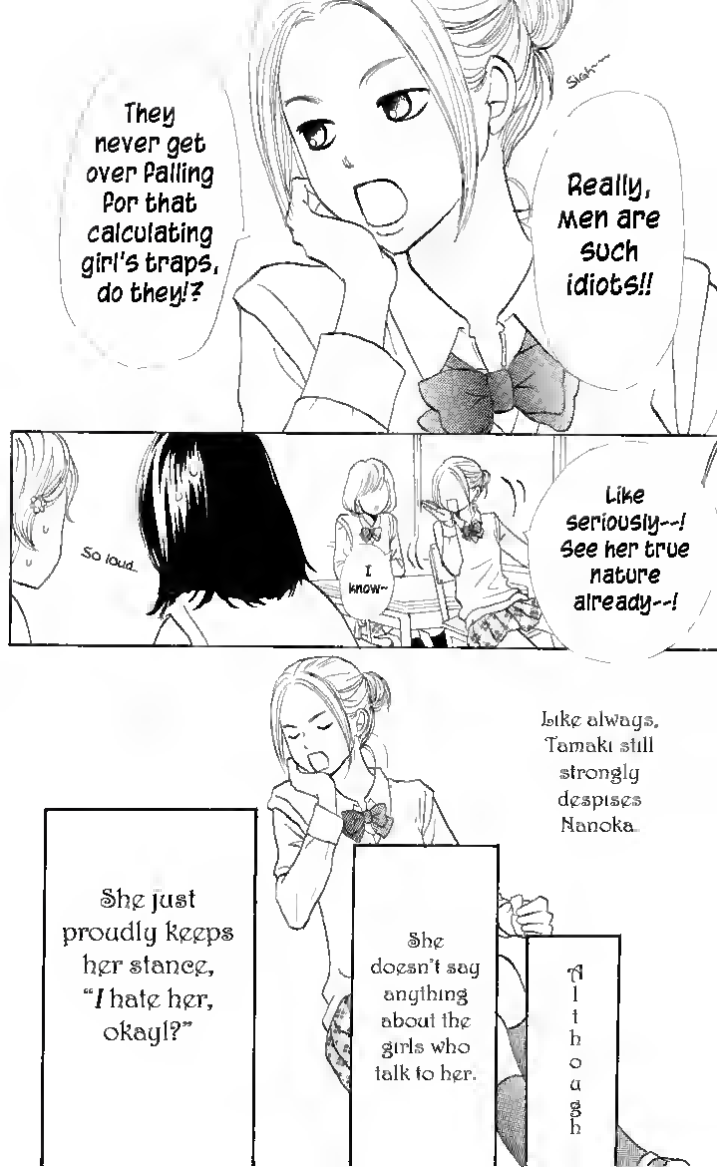
I actually can't go out with you, Kono.
WHAT!?
Wh-WHY!?
Eh!?
Sorry...
Sorry
Eh?

...Ah
Because you'll be harassed again if you're with me!?
I told you, I'd protect you.
No~ It's not that--
I actually have someone I've liked for a while.
I thought it wouldn't work out--
but today I was confessed by that person so I want to go out with him.
So,
Sorry~

HEY—!
Let's go.
Wait...
Eh.
...hey...
EH!?
WHAT THE HECK MAN——!!
Whisper
I hate boys' insults...
What a downPait.
Nanoka
did not need any protection at all.
.....



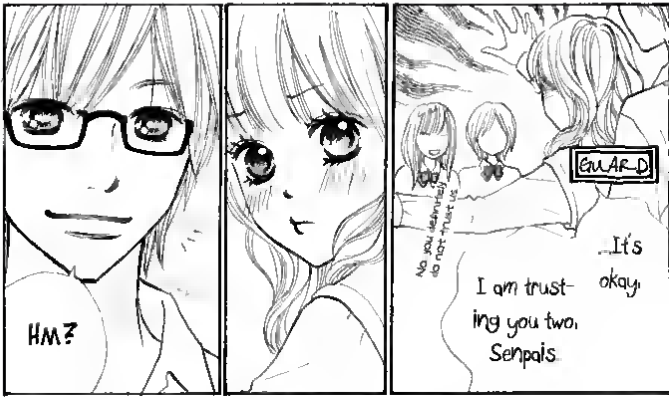
After that,
the rumor about the girl who dumped the 1st year No. 1 Prince in just half a day
spread all over the school without anyone knowing the reason as to why she did that.
The Prince fan girls went all ballistic.
The boys were all frightened.
And at the same time, there were challengers who thought, "Surely, I can."

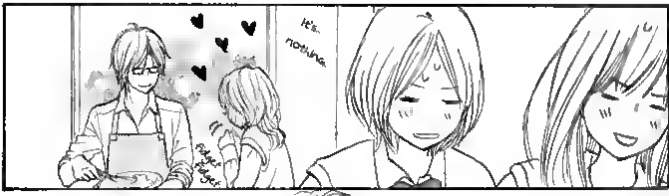


They never get over falling for that calculating girl's traps, do they!?
Really, men are such idiots!!
Sigh~~
So loud..
I know~
Like seriously--! See her true nature already--!
Like always, Tamaki still strongly despises Nanoka.
Although
She doesn't say anything about the girls who talk to her.
She just proudly keeps her stance, "I hate her, okay!?"

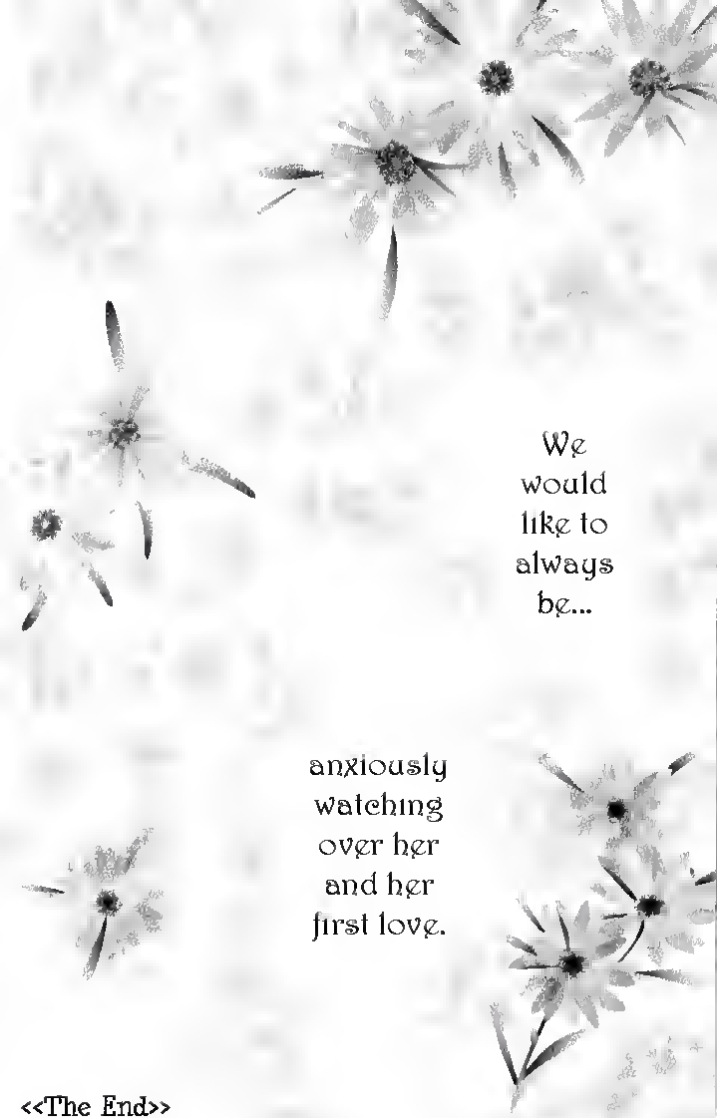
As for Nanoka,
TAP
TAP
TAP
using the tactics to capture the person she likes,
as soon as she realizes, "He's no good," she would go to the next one
The Nanoka that constantly kept repeating this process after that camp incident
調理室
is now, in love.

....Haru!!
According to Nanoka,
This is her very first time being in love.
We were just asking for a tip on lathering!!
....Ah
.....





Nanoka's first love, where she doesn't even have the composure to use her tactics.



We
would
like to
always
be...
anxiously
watching
over her
and her
first love.
